PRESIDENT'S MESSAGE

November has arrived and regrettably we have to think of next spring to once again safely drive our cars unless you have a home down south. This season has been a mixed bag of both weather and COVID impacts on club events. Even our long standing BBQ Company, that we have used for our club picnics for several years, is looking to sell its business. The lack of business and finding reliable help has had a major impact on many small businesses. Inflation is on the rise and this will likely mean additional lost sales for many of the smaller companies.

On the brighter side of things, Andy McLean and Diane Pater-niti are planning our clubs Christmas Party which will be on Saturday December 4th so make sure that you mark this date down on your calendar. More details will be available on this club event in the next few weeks.

Speaking of next season, I have been in contact with the people at Watkins Glen and they have started to entertain more track time for clubs throughout the season. This means that we can possibly get on the track throughout the summer months and depending on the number of cars and the time of day we would like to get on the track, it may be possible to get more than three laps. I will keep everyone up dated on this as we get closer to the opening date in April of 2022. At least the track is willing to open the facilities up to more customers all season long. Like most businesses, they are looking for more ways to increase income to help offset increased cost of track operations.

On another topic, I have been thinking about my message for the newsletter and I am going to try to find an article on corvettes to include each time to change the format and hopefully make that part of the newsletter more interesting

There are no club meetings from December through the month of February, however, we will plan to have our annual bowling party on March 17th at the Jamestown Bowling Company on Foote Avenue so mark that date down. Our first formal club meeting in 2022 will be on April 21st. If we have enough interest in going to Watkins Glen in April, we should discuss this at the November meeting. Our next meeting is scheduled for Thursday November 18th at the Lakewood Rod & Gun Club starting at 6:00 pm. Let's plan to discuss some possible club functions for next season at that meeting. Also, if you can think of some topics that would be of interest for the club meetings, plan to share them with the group on the 18th.

That's all for now and remember our November 18th meeting. Sandy and I would like to wish all club members and their families a very Happy and safe Thanksgiving.

Gary

OCTOBER MEETING MINUTES

The October 21, 2021 meeting of the Chautauqua County Corvette Club was called to order at 6PM by President Gary Baldensperger. There were 8 people in attendance, Treasurer's report: Treasurer Andy McClean reported the checking account balance is \$2600.00. Expenses to date have been insurance, Post Office box rent, and \$552.00 for picnic expenses. Also, the club paid a small sum to each member attending the Christmas Party in 2020. Will the club be willing to do the same this year? A suggestion for speakers at future meetings was made by Bobbi Deering. She has an acquaintance who is a travel agent. She could come in to speak to members about travel in general, ideas for short and long trips, etc. Annual Christmas Party: Several options were noted. The Harbor House, last year's location, has raised their prices for this year. Other suggestions were the Landmark, and Gialy's (former Town Club). It was decided that Andy McClean would go ahead and book any suitable location that can accommodate our numbers and date, rather than wait for everyone to get back to her with preferences. Club elections: all present offices will be held over to next year. It was suggested that in future elections, half would be up for election each year. Changes to the by-laws will be made to enable this. Meeting was adjourned at 6:30 PM.

Respectfully submitted, Jane Anderson for Diane Paterniti
