Message from the President

The calendar says spring, but the weather outside says otherwise. I hope the past few weeks are not an indication of what we have to look forward to this spring. Let's hope that it's just been a big blunder from old man winter to keep us on our toes and let us know that he is still in charge of the weather. Having to change the spring trip and cruise-in to the Quaker Steak & Lube last Sunday was a bummer for everyone. There was, also, very little interest in doing the Watkins Glen track time this year for the first time and we should talk about this at the next meeting (May 9th). During our last meeting, we discussed the possibility of having speakers added to the meetings from time to time to give the membership additional things to look forward to when attending our meetings. One of the areas that were discussed was to bring in a travel agent to see what type of program they could offer the club once we select a destination of interest. This could be a weekend cruise or a week-long trip in the spring or in the fall. Some of you may remember Patty & Kerry Gern who were past members of the club. They sold their corvette and Patty started a travel business, she has put several vacation packages together for Sandy and me over the past few years and has done a great job. I have been in contact with Patty and Kerry and they have agreed to come to the May 9th meeting and put on a small presentation for the club. I do not know if this approach will work for the club, but at least we can see if this is an additional option for us to use in planning future club trips. At the April meeting I mentioned that I was going to try to have a BOD meeting just prior to the May meeting. However, this will not work for me at this time so I will try to have this BOD meeting in June before our regular meeting. Also, during the last meeting we discussed looking into ways to generate additional funds for our club. Additional revenue can help in our effort to help pay for additional expenses for such things as advertising for the club and help to grow our membership. Let's not forget that one of the best ways to accomplish locating new potential members is still with our members reaching out to other corvette owners. Another topic discussed at our last meeting was to expand our calendar of events to include other gatherings of cars in our general area. On this page we will include activities that could be of interest to club members and not simply club preplanned functions. This will then be placed in the newsletter as a separate page, which is what Gene has been doing, but will just be expanded. Having this in a separate location, within the web site, makes it difficult to locate.
